From all over the world young people gather in our parish to study, work, live and meet new friends.

Did you know that Wageningen has the most nationalities/mile² in the world? You'll meet many of them at the campus and in the cafés. But what about the catholic church? Maybe you're just curious and like to come by some time?

The ICC welcomes you all! Many of our members have lived in the Netherlands for a long time already, some stay around for just a couple years, and some are new.
